## SC School Nursing Skills & Knowledge Self-Assessment (RN)

Use this form to assess your experience, knowledge and skills in areas that are important to school nursing practice. Assessment findings can be used to assist you with developing your personal professional development plan.

Rate your skill level or knowledge using the following guidelines:

- 1 No experience / knowledge
- 2 Limited experience / knowledge
- 3 Proficient experience / knowledge

4 - Mastery experience / knowledge

Communicating Effectively

5 - Mastery experience / knowledge and able to teach

COMMUNICATION

2 3 4 5
